Enchanting Secret Gardens, beautifully restored Historic Homes, and delightful Moonlight Tours in the evening... discover the rich history and elegance of Macon, Georgia during Macon Gardens, Mansions & Moonlight.

Recently named one of the Top 20 Events in the Southeast by the Southeast Tourism Society, this annual home and garden event, now in its 17th year, will be hosted by Hay House April 30 - May 2, 2010.

Amble at your leisure through blooming estates in North Macon during the ever-popular Secret Garden Tour. Marvel at architectural grandeur in some of Macon's finest neighborhoods during the Historic Home Tour. The Moonlight Tour offers guests romantic strolls at twilight on Friday and Saturday evenings. And don't forget your tour ticket includes a complimentary tour of Hay House, the Italian Renaissance Revival mansion (1855-59) that is often called the Palace of the South! This National Historic Landmark is renowned for its decorative arts and technological innovations, such as indoor plumbing, a speaker tube system, heating and ventilation systems.

Nestled among historic magnolias and camellias, the Garden Market returns to the beautiful lawn of Hay House in the heart of downtown Macon. Browse charming vendor booths for flowering plants, perennials, herbs, garden art, bird-houses, home accents and much more!
