Please join us **Thursday, September 15th** for this informal gathering that will highlight Savannah College of Art and Design's plans for growth in Atlanta in the context of their award-winning preservation work in the cities of Savannah and Lacoste, France.

SCAD-Atlanta
1600 Peachtree Street (Midtown Atlanta)
6pm-8pm
(refreshments will be served)

SCAD has been credited for excellent utilization and sensitive rehabilitation of college buildings, many of which have merited recognition by the Historic Savannah Foundation, The Georgia Trust for Historic Preservation, The Art Deco Societies of America, the American Institute of Architects, the National Trust for Historic Preservation and the International Downtown Association.

We hope you will join us (and bring a friend) for this unique opportunity to tour the new facility on Peachtree Street, mingle with others interested in preservation and learn more about SCAD's plans for redevelopment of Atlanta's urban fabric.
