

2025 Fall Ramble Scholarship

Inherit GA: The Next Generation of Preservationists

Inherit GA is an exciting initiative of The Georgia Trust for Historic Preservation designed to engage preservation-minded young professionals in educational and social activities that are important to the Georgia Trust's mission. Inherit GA cultivates and prepares the next generation of preservation leaders in Georgia. Participants visit lesser-known historic sites, take behind-the-scenes tours and take part in preservation efforts that are in progress throughout the state.

What is a Ramble?

The goal of a Ramble is to introduce the diverse historic cities and towns of our state to attendees while educating them about local history, architecture and preservation efforts. The Georgia Trust will bring the economic benefits of heritage tourism to these cities and help to develop their historic resources for the betterment of their economies. The Ramble consists of tours of historic properties, educational programs, as well as social events. Meals are included from Friday dinner to Sunday brunch. The tours are comprised of 40+ private homes, churches, courthouses, industrial sites, and other historic locations relevant to the host city's history.
