

2023 Preservation Awards

Each year, The Georgia Trust recognizes significant contributions to the preservation of Georgia's historic resources. The awards are open to projects completed within the last three years. Nominations are reviewed by The Georgia Trust's Preservation Awards Committee. Their recommendations of award-worthy projects are presented to the Board of Trustees for final approval. Awards are presented at The Georgia Trust's Annual Award Ceremony held during the Spring Ramble.

CATEGORIES:

RESTORATION

An accurate restoration project depicts the form, features and character of a historic building as it appeared at a particular period of time. Restoration requires sensitive

upgrading of mechanical systems and other code-required work to make the site functional.

SUSTAINABLE REHABILITATION

This award recognizes excellent rehabilitation projects that also incorporate appropriate conservation and sustainable treatments to lessen a building's

environmental impact while preserving significant features that convey its historic significance.

REHABILITATION

Rehabilitation projects make compatible use of a building through repair, alterations or additions while preserving significant features of the property

that convey its historic value.

PRESERVATION SERVICE

Persons, groups, businesses and/or government entities that demonstrate exemplary activities and promotion of awareness in the field of historic preservation are

recognized through this award.

PRESERVATION

This category recognizes the appropriate preservation of historic resources and creative interpretations of historic sites.

STEWARDSHIP

This award recognizes those who ensure the preservation of historic properties through long-term care and maintenance, stabilization, protection or continuous family ownership.

Additionally, the Awards Committee will select the recipient of the **Marguerite Williams Award**, The Georgia Trust's top honor. This award is given to one of this year's award recipients (person or project) that had the greatest impact on preservation in the State of Georgia. All nominees are considered for this award, no additional nomination is needed.

Nominations must be emailed postmarked by Friday, November 18, 2022
